TO THE VOTERS

Vote for David Kawanakoa for Delegate to Congress, because his election will prove to that American people were misled when they were told that the Hawaiians wanted annexation, and because the affairs of the Territory will be in safe hands when Prince David represents us in Washington. Vote for David because he will use all the influence of the high office to which we wish to elect him by watching the interests of those who were wrongly imprisoned in 1895.

Cast your vote for William Auld, staunch supporter of the Hawaiian people. A Hawaiian, who has always commanded the respect and aloha of his countrymen.

Will you neglect to mark with a plain cross the name of J. O. Carter the advisor of Liliuokalani the man to whom the Hawaiians always steer their way when they are in pilikia.

Can you find a more honest and sincere man than Abraham Fernandez? An intelligent Hawaiian who commands the respect of the Hawaiians as well of his countrymen, and the same can certainly be said of John D. Holt Jr. who all know as a prosperous business man and a loyal Hawaiian.

What reason can any of you give for dropping the name from the ticket of D. P. R. Isenberg? A friend of Hawaii, a son of Hawaii we must call him, because he was born here, he has always stood by the people in an honorable manner. Would you allow to see a Republican, one of the men who stole your country defeat Paul Isenberg.

Then there is our old friend Liliuokalani. It is not for us to remind you of his faithful adherence to Hawaii and to the allies. He has enjoyed much experience in the Legislatures of the days gone by and we know that if you elect him he will prove himself a most valuable man to the Hawaiians.

The above constitute the senators for Oahu. Is it necessary for us to enumerate the virtues of S. M. Damon, who has stood by the Hawaiians through thick and thin, even if, at times, it looked as if he were a P. G. Had it not been for Damon some of the sufferers of 1895 would not be here to-day to demand redress for the wrong done to them. Emmeluth and his gang and the unmerciful men who now call themselves Republicans would have hanged every man objectionable to the Central Union Church crowd if S. M. Damon had not stepped in and fearlessly defeated their

scheme. They have never liked him since, and we guess the missionary element will feel sore if we loyal Hawaiians send him to the Legislature to-morrow.

Who is the man who can say in truth a word against Frank Brown, a kamaaina, whom we all love. Is not Frank Harvey a man in whom you can trust? He is not a missionary, and no one will accuse "Bill" H. H. and Herbert Mossman of leaning in that direction.

Macfarlane, Bush, Booth, Camara John Wise can talk for themselves far better than we can write. If you want good government vote the Democratic ticket. If you want humiliation and swallow your spite vote for the Republicans.

If you want chaos and ruin to the country vote the straight Wilcox ticket.

Wilcox's Lie Nailed.

The Democratic Central Committee has issued the following circular in the Hawaiian language:

A BLACK LIE.

At a meeting of the Independent party, held at Iwilei on Friday evening, and at a similar meeting at Brewer's wharf on Saturday, R. W. Wilcox publicly announced that there was no Democratic party left, because they had agreed to support the Independents; and the chief, David Kawanakoa, had consented to abandon his candidacy and had directed the Democrats to support and vote for R. W. Wilcox.

O ye Hawaiian people, this is one of the blackest, lying falsehoods yet brought forward in this campaign, and I hereby proclaim to the whole of Hawaii that there is not an atom of truth in the statement.

All patriotic citizens are urged to stand fast and vote for Prince David Kawanakoa and the entire Democratic ticket, as I truly know that through them alone can the native Hawaiians be saved.

C. J. MCCARTHY,

Chairman Democratic Committee.

Kicking the Pigskin.

Our sporting editor has been detailed to attend to the muscular politicians who gather on the corner of King and Bethel streets, and it became necessary for us to ask our Amateur reporters to write up the results of the football team which took place on Saturday and resulted in a victory for the High School boys, who turned down on this occasion the Punahou team with a score of 5 to 0.

Our amateurs send the following reports: "The Punahou boys were simply lovely. They were probably not in a very good condition, but if they hadn't had a horrid umpire the game would have been given to them. How can you expect the Punahou boys to play in such a muddy weather? Their shirtwaists were covered with mud but nevertheless they played to a finish. Dickson and the Judd boys are really nice and didn't try to kick the ball too roughly. McWayne and Cruzan know how to beat those little High School kids but they were too kind to show what they really can do. I am only an amateur, and they won't allow me to play football because I belong to the gentle sex, but I know enough of the game to realize that the Punahou team can knock the High School boys into next week every time. That's slang, hi, hi, hi, and I have closed my report."

REPORT NO. II.

"The kids from the High School didn't do a thing to the Punahou on the gridiron on Saturday. The college chumps are double the size of us High School kids and we licked them in fine style. The Punahou crowd ought to challenge some team with which they may have a show in a fair game. Why don't they issue a challenge for a meeting with a Kindergarten team, or if even that is too strong for them let

them apply to the Maternity Home for a baby team. The "mugs" didn't know what to do with ball and they fumbled and bluffed until they were totally defeated. You never saw a worse defeated team. This is my report."
